To Whom it May Concern,

As Chief Financial Officer of Castle Telesystems, my relationship with Robert Bohlen has spanned nearly 15 years. Robert made an exceptional president and leader of our corporation. He was directly responsible for a multimillion-dollar budget, dozens of employees and thousands of customers.

Through his leadership and commitment to customer service, the company was recognized by Pacific Bell as its "number 1" dealer for customer service in all of California and Nevada. His vision and dream for the company to become one of the preeminent telecommunication dealers in the country was realized when Toshiba ranked Castle Telesystems among the top 3 distributors of Toshiba Telecom products (based on sales volume) in the Western United States.

Robert Bohlen is professional, trustworthy and a man who can be counted on to do what it takes to get a job done. I recommend him highly in any business venture where integrity and solid experience are a required component.

Sincerely,

Jay Weil
